Q3 | FALL 2023

*Hello, Cadet Saver!* It's me, Penny, swinging by with some more fun money-saving tips for the autumn season. Can you feel the cool breeze and see the leaves changing colors? Fall is in the air!

Did you know that fall is a time when many animals start gathering and saving for the colder months? Just like squirrels gather acorns, we can gather some shiny coins and bills! Here's a fun fall challenge to try:

## *Autumn Giving:* Let's Share the Magic with Home of the Innocents!

Did you know there are kids in our community who could use a bit of extra cheer this holiday season? Let's team up and make a difference!

This autumn, we're hoping you might consider giving a little something to the Home of the Innocents. By sharing, we can ensure that kids like you feel special and cherished!

**Most Needed Items:** Sensitive Skin Body Wash, Shampoo, Pillows, Curling Cream, Hair Gel, Hair Detangler, Soap Dishes

Curious about other ways to help? View the full wishlist at <https://www.homeoftheinnocents.org/help-the-home/donate/wishlist/>.

Every bit helps, and together we can spread joy and make this season memorable for all!

## *Penny's Leafy Savings Challenge!*

- 1. Find a Big Jar** - Grab a jar, or any container you like, and decorate it with colorful leaves or fall stickers. This will be your special savings jar for this season.
- 2. Gather Your Change** - Whenever you find a penny, nickel, dime, or any coin really, pop it into your jar. Imagine every coin as a tiny golden leaf you're adding to your savings pile.
- 3. Penny's Bonus Challenge** - Fall is the season of pumpkins, right? Every time you see a pumpkin - whether it's a real one, a sticker, or on TV - put a coin in your jar. It's a fun way to save and celebrate the season!
- 4. Watch Your Savings Grow** - By the end of fall, see how much you've saved. It'll be like watching a tree fill up with colorful leaves! And guess what? The more you save, the bigger your pile of leaves (or money) becomes.
- 5. Jump In** - Once you've collected a bunch, make a trip to Advanz. We'll help you add your fall savings to your Cadet Savers account. It'll be like jumping into a big pile of crunchy leaves, but instead, you're jumping into a world of savings!

Remember, every penny counts, and every coin is like a little leaf that adds up to a big, beautiful tree of savings! So, let's have fun, enjoy the fall, and save, save, save.

*Stay curious and keep collecting!*
